Re: *Luv n' care, Ltd. et al. v. Walgreen Co. et al.*; Civil Action No. 08 CIV 4457;
Request for a conference regarding the parties' anticipated agreed motion to extend
the dispositive motion deadline

Dear Judge Chin:

A conference is respectfully requested regarding the parties' anticipated motion to extend the deadline for dispositive motions in this case. The current deadline for dispositive motions is June 1, 2009. D.E.# 25. However, the parties have engaged in good faith discussions and have agreed that all parties' interests would be served by extending the deadline to June 8, 2009.

Therefore, the parties respectfully request that the Court conduct a pre-motion conference or, at the Court's discretion without a conference, enter an order extending the dispositive motion deadline to June 8, 2009. No other deadlines in the current schedule are affected by this agreement between the parties.

Respectfully submitted,
